Instructions for TBR-1 Telephone Beep Inserter P/N 43678

The TBR-1 inserts a beep every 15 seconds on your telephone calls to let people know they are being recorded. The beep is heard by everyone on the call, and is recorded.

To Install: (See Diagram below)

- 1 Disconnect the handset/headset coil cord from the phone, and plug it into the jack on the TBR-1.
- 2 Plug in the cord from the TBR-1 into the jack on the phone where the coil cord was connected.
- 3 Connect power supply provided to TBR-1 and plug into any available power outlet.
- 4 Mount the TBR-1 at a convenient location using the adhesive pad.
- 5 Adjust beep volume if necessary with beep volume control pot (clockwise increases volume).
- 6 If hum or other noise is heard on phone, change "Polarity Switch" position.
